THIS FORM MUST BE SUBMITTED ON BLUE PAPER

COMPLETING PROOF OF COMPLETION OF WORK

Fill in all the blanks.

1. List Permit number.
2. List the State and County in which the proof is notarized.
3. Name of person signing the proof. The signature of the affiant is required since the proof represents a sworn statement. (If other than permittee, give authority for signing, i.e., agent partner, president, manger, lessee, assignee, etc.)
4. Amount of money spent on diversion works only.
5. Improvement:

(a) Underground-

Well must be completely drilled and cased with the pump and motor installed and the well log on file in the office of the State Engineer.

Describe the diameter and depth of casing, the size, name and type of pump, and the name and size (hp) of motor installed.

Describe meter installed as required by terms of permit including the make, model, serial number and reading on the date of installation.

(b) Others (stream, lake, etc.)-

Fully describe completed diversion works, i.e., size of dams, ditches, pipelines, pumping stations, etc.

Describe all measuring devices installed as required by terms of permit.

6. Date the well or other diversion works were completed.
7. The point of diversion (POD) of the well itself this should match the POD on the permit and the well log).
8. The well driller's name, address and whether or not the well log was filed.
9. Signature.
10. Notarization.

Proof of Completion of Work must be filled out entirely, signed, notarized and submitted to the Office of the State Engineer (Division of Water Resources, Capitol Complex, 123 W. Nye Lane, Carson City, Nevada 89710) accompanied by the \$10.00 statutory filing fee on or before the date due as listed on the permit. A separate Proof must be submitted with the \$10.00 filling fee for each individual permit.
